### Microsoft Internet Explorer

#### OFFICIAL U.S. GOVERNMENT SYSTEM FOR AUTHORIZED USE ONLY

This is a Department of Defense computer system. This computer system, including all related equipment, networks and network devices (specifically including Internet access) are provided only for authorized U.S. Government use. DoD computer systems may be monitored for all lawful purposes, including to ensure that their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability, and operational security. Monitoring includes active attacks by authorized DoD entities to test or verify the security of this system. During monitoring, information may be examined, recorded, copied, and used for authorized purposes. All information, including personal information, placed or sent over this system may be monitored. Use of this DoD computer system, authorized or unauthorized, constitutes consent to monitoring of this system. Unauthorized use may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal, or other adverse action. Use of this system constitutes consent to monitoring for these purposes.

**Welcome to our HRA Forum!** We have created this forum for the purpose of communicating information, transmitting documents, and other resources to and from the field.

Questions, comments, and ideas that may or may not require an answer may be posted in this forum as long as they support the HRA mission and goals.

The forum will assist all of us to communicate with each other in a more efficient manner by allowing messages to go unchanged to all interested members, liberating resources and time normally spent on the phone or with e-mails, and by fostering cooperation among our members.

The HRA Forum in conjunction with the other portions of the website constitute a living reference tool which assists and guides you in your development and performance of HRA duties.

Information and Ideas travel on a two-way street, it's for this reason that we encourage the initiative of all our members. Express your good ideas that may help others become more efficient, read the information from the source vs. from the grapevine, cooperate with others for the purpose of enriching our members and strengthening our Guard.

Although HRA mission supportive statements may come from all our members; only **Lt Col Bruce Stewart**, Chief, Cultural Transformation, **CMSgt Derrik Allen**, HRA Program Manager, and **MSgt Smith**, Asst HRA Program Manager are official HRA speakers.
